Guilty

Not Guilty.....

The necessary majority of the members present having voted "Not Guilty," the Presiding Officer announced that the charge was dismissed. (or the necessary majority of the members present having voted " Guilty ", a second written ballot was then taken to determine the sentence, which resulted in a verdict of expulsion, or suspension for a period of, or reprimand.)

The Accused was then admitted and informed by the Presiding Officer of the verdict, and was reprimanded (if the verdict was reprimand) and the Secretary was instructed by the Presiding Officer to forward a Certificate evidencing such verdict to such Accused by registered mail immediately. The Presiding Officer then caused the warning as to the secrecy of proceedings to be read, after which the Chapter was closed in due form.
